

School Assembly Pricing

- \$599 if the school pays the day of the assembly or places us on a billing cycle, paying after the assembly.
- \$549 if the school pre-pays, saving \$50.
- If the school books two shows at the same school, you save an extra \$100 off of the 2nd show, which will be \$449.
- If blocking with other schools and book as a group with at least 5 schools, all shows are \$449. (By blocking with other schools it saves everyone time and money and puts everyone in your area on the same page regarding bullying. To make this efficient Bud will do one to two assemblies in the AM and another one to two assemblies in the PM, on consecutive days until your entire group is done.) If any of the schools want to book 2 shows due to student body size or age groups, the 2nd show will receive an additional \$50 off, making that school's 2nd show \$399.

Should you choose to block with other schools, we will invoice each school individually

The primary topic is bullying, but if the school has another topic which needs more concentration or interest, please let us know. The performance can be curtailed to any topic necessary.
